Spirits Undampened!

It was a horrible, dark and windy night and the skies opened and poured down on a bedraggled bunch of creatures who braved the wind and torrent to show their stuff. Never mind, the whole snake pit poured into the Center School gym until the walls bulged with the collection of creeps. Nothing dampened the enthusiasm inside. The Police party was a solid success as master of ceremonies Kenny Pacheco attempted and

succeeded in bringing order into the chaos. The whole bunch, who in total resembled the Time Square celebrators on New Year's Eve, milled about in circular motion and judges Melody Mills, Sheila Doherty and Marc Goddu began the impossible task of picking and choosing. The parade may have been a washout but nothing dimmed the fun of strutting on parade. It was a successful night of horror.

Chief James Moran thanks all the contributors for making the parade not only possible but so successful every year.

Selectmen Paul Lambalot and John DeCosta flank Police Chief James Moran who hosted the Police Halloween Party. Foreground, the winners in grades 4-5-6; Justin Marmaras, Rory Apperson and Ben Moore

And the winners were:

Pre-School: Rick Bettencourt as a tank, a bicycle, first; Leah Randall as a fish, a tricycle, second; Edward Bailey as an engineer, a tape recorder, third; Kiah Westgate as Raggedy Anne, honorable mention.

Nine Article Warrant

FOR DECEMBER 2 SPECIAL TOWN MEETING
MATTAPOISETT SELECTMEN'S MEETING
OCTOBER 29, 1991-by VIRGINIA MORGAN

A revised and tentative nine article warrant for the December 2nd Special Town Meeting was discussed at length last Tuesday with the Finance Committee, Town Accountant Joseph Bolton and the Selectmen.

The major concern expressed by all was just from where is the funding coming. As outlined by Mr. Bolton, the first article to be funded is the balance of the May 1991 annual town meeting needing to be paid, plus eight other articles. Available funds include $50,221.22 in Overlay Surplus (monies held by the assessors for possible abatements, but have been released as not needed for this purpose, and can be transferred for articles); $111,693.43 from the Stabilization Fund, as of June 30, 1991 (selectmen, finance committee and Mr. Bolton are not in favor of using all of these funds usually used for capital items; it needs a 2/3 vote to be used).

Board of Health members Robert Field, chairman, Daniel C. Lee and John Bowman, surprised selectmen with its decision to release $38,820 from a surplus in the Sanitary Landfill Enterprise Fund to be used for the special town meeting items. Mr. Bolton said there is $117,636.79 in the fund at this time.

Selectman Daniel O. Mahoney said town meet-

ing voters should determine where the money goes; "board of health shouldn't tell us and we shouldn't tell voters where to spend". Selectmen agreed they are grateful to the board of health for the gesture and the process whereby funds can be taken from the Enterprise Fund to support the town budget. Mr. Lee said "we feel we would like to see the $38,000 go towards the assessors' articles as this would benefit the whole town."

Another plus was added to the available funds when Mr. Bolton informed selectmen there has been a favorable change in the free cash pictures. He explained, "Originally we thought there would be no free cash. However, I have been informed by the state Department of Revenue that because Mattapoisett is eligible for special consideration due to late tax billing and that receipts of $189,999 was collected from July 1 to July 24, 1991 the town has the potential to receive $50,000 in free cash." Mr. Bolton added that "we don't have to spend it now. If we take it now we won't have it for the fiscal 1993 budge. Mr. Bolton noted "we should know in a few weeks and in time for the special town meeting just how much we will receive."

The articles tentatively include:

1) $57,989.01 to balance the annual town

meeting budget; money to support appropriations already voted; Mr. Bolton said lower local receipts than anticipated last May, including less excise taxes, and less state aid than expected,in fact 50 percent less; 2) $9,172.75 to pay for fiscal 1991 unpaid town counsel invoices (due to extra hours negotiating two union contracts and SEMASS agreement negotiations); 3) $6,415 for a salary increase for the town clerk - from $28,585 to $35,000; this is a 22.5 percent increase, said the accountant. (This article was defeated at the annual town meeting but selectmen assured Town Clerk Lois Ennis it would be included at the next special town meeting, if there is free cash; 4) $4,900 to cover reimbursement to George Randall (this is a moral obligation; Mr. Randall's truck was damaged while he was doing town-related work during the hurricane; 5) $6,500 for a computer for the assessors, recommended by the selectmen; 6) $33,500, article placed by the assessors for the software program, instruction and for extra hours for pay for the assessors to do property evaluations; 7) $22,000 for Hurricane Bob expense for Tree Warden Marshall Pryce's budget (this is for tree cutters and related work); this budget is allowed to be "in the red" because of hurricane natural disaster; 8) $5,000 for the Recreation Committee to pay for a director for the balance of this fiscal

year; 9) $20,000 for the Reserve Fund.

Finance Committee member Peter Kortright noted there are other ways of cutting the budget by deficit or override. "I'm not suggesting we do it, but there are other sources than the overlay and stabilization funds." Selectmen agreed to no overrides.

The accountant explained "we estimated local receipts of $895,400 by town meeting time, excluding real estate taxes; however, we actually received $778,860, $116,580 less than anticipated. With several monies coming back to the town, such as Blue Cross refund from Old Rochester Regional School Committees, $29,000; sewer revenues, $85,000; treasurer/tax collector fees, $8,000, totaling $45,500. This reduced our annual town meeting obligation to the current $57,989 to be voted."

In other business, selectmen:

MET WITH Harbormaster/Wharf Commissioner Steve Mach, Highway Surveyor Wesley Bowman and John DeRugeris, marine engineer/designer volunteering his expertise in the repair of Middle Wharf and Long Wharf, to discuss the two-fold problems with both the town wharves.

Selectmen were in the process of signing a contract with AGM Marine Contractors of Mashpee for Middle Wharf repairs at a cost

of $239,000, when discussion centered on whether legally the town could cancel the contract and earmark the funds to winterize and do emergency repairs to Long Wharf.

All concerned agreed Long Wharf which suffered the most damage from the hurricane was in dire need of repair. Mr. Bowman said, "If we get a severe winter storm we could lose Long Wharf. The biggest danger is wave attack and washing away the gravel and rock underneath the broken top."

Mr. Mahoney asked Mr. DeRugeris, "If we could cancel the Middle Wharf contract, would we do essentially the same type of repair on Long Wharf as Middle Wharf?" "Mostly the same", said the marine engineer, "except the top deck needs extensive repair." A short term approach would be back filling with gravel. "We would have to check with the state DEP and Army Corps of Engineers on removal of material from waterways." The question on whether the top should have asphalt or concrete was discussed with Mr. Bowman favoring concrete.

Mr. Mahoney said, in reviewing the contract conditions, there could be a "possible suspension of the contract by the owner (town) for convenience". He admitted there would probably be a penalty for cancelling a contract.

The harbormaster said he doesn't like a band-aid approach, but something has to be done since Long Wharf is in in such bad shape. "Perhaps we could look at temporary repairs of Long Wharf before we toss out the contract for Middle Wharf, Mr. Mach added.

Selectmen Chairman John DeCosta explained FEMA has agreed to pay $54,000 for repairs

to Long Wharf caused by the hurricane; that is if they have any money for emergency repairs or when it would come. "We have written to FEMA saying we disagree with its repair figure and feel it should be $300,000 to fix Long Wharf properly. If no money is coming in what do we do in the interim with Long Wharf", asked the chairman.

Mr. DeRugeris said the AGM Company work can start three months after the contract is signed because of the time needed to order the steel for the side braces. The work has to be completed by April 20 so as not to interfere with fish migration. The Conservation Commission has also expressed concern with the possibility of concrete getting into the water while being poured.

Mr. Bowman said asphalt is a waste of money; concrete is the way to go for the deck. He said there are bulges on both sides and the inner gravel is dissipating through the stones.

William Wood, a concerned citizen and boat owner, commented the wharves were built for horse and wagons and not for 80,000 pound trucks.

In conclusion, selectmen directed Mr. Bowman, Mr. Mach and Mr. DeRugeris to do a quick study on temporary repairs, availability of money and what is the best way

ORR Drama Club

TO PRESENT "THE CRUCIBLE"

The Old Rochester Regional High School Drama Club is presenting Arthur Miller's play THE CRUCIBLE. The play will be performed on Thursday, November 7th, Friday, November 8th, and Saturday, November 9th, at 7:30 p.m., and again on Sunday, November 10th, at 3:00 p.m. All performances will be in the Gilbert D. Bristol Auditorium at Old Rochester Regional High School in Mattapoisett. Ticket prices are $6. for the general public and $4. for seniors and students. To order tickets or for further information call 758-4333.

The play, based on the actual witch trials of Salem in 1692, brings to powerful and dramatic reality the hysteria which was attached to the belief that some of Salem's citizens were in reality witches. The first accusations of the children of Salem village seem harmless enough but then things get out of hand when the citizenry of Salem actually begins to believe the girls' tales of witchcraft and consorting with the devil. As a result of the hysteria which ensues, many innocent people are arrested, tortured and murdered before common sense prevails and the false accusations and condemnations

1992, which will be upon us shortly, will be the 300th anniversary of the witch-craft hysteria of Salem village. Presenting The Crucible at this time is an appropriate way in which we can all remember the unjust events which took place in our own Commonwealth of Massachusetts in that horrible and terrifying year.

Tickets are now available at Marion General Store, Seaport Pharmacy in Mattapoisett and Lloyd's Market in Rochester.

Evening Flu Clinic

An evening Flu Immunization Clinic will be held on Thursday, November 7th, from 5:30 to 7:30 p.m. at the American Legion Hall, Depot Street, Mattapoisett, and is open to Mattapoisett residents. A donation of $1.00 is requested.

Rochester Seniors

The Rochester Seniors' Club met October 8th at the Rochester Woman's Club. President Pearl Carreau opened the meeting at 1:30 p.m. The by-laws were amended and it was voted to hold the annual Christmas Party jointly with the Tri-Town AARP on December 11th at the Independence Harbor. Reservations will be taken and the money will be collected for the party at the November meeting which will be held on the 12th at 1:30 p.m.

ESTABLISHED 1752

Available Here

CASWELL-MASSEY invites you to lose yourself to the joy of fragrance at its best. Since 1752, when we first began to serve the well-to-do carriage trade of Newport, we have been a favorite for individuals with a passion for the best. It is a passion we have shared with George Washington who bought our Number Six Cologne by the case for his own use and to give to his friend the Marquis de Lafayette ... and with a long line of luminaries, among them Greta Garbo, Edgar Allen Poe, Sarah Bernhardt, Maurice Chevalier, Errol Flynn, White House families ... The passion continues to this day. Immerse yourself in the legends and lore behind our old-world preparations, fine fragrances and opulent range of rare and unusual bathing essentials. You will find each bespeaks a quality and craftsmanship rarely found today. Enjoy.

Eileen Constant was welcomed as a new member.

Josephine Rogers consented to accept the office of hospitality chairman. A vote of thanks was given to Virginia Blaise who has held the office for 7 years. Members were asked to bring in the name of a person to be notified in case of an emergency.

Refreshments were served by Edna York and her committee: Doris Sousa, Ella Gonet, Georgia Decas, Hazel LaFleur. The 50-50 raffle was won by Edna York, Josephine Rogers, Mary Weigel and Delma Jacques.

The refreshment committee for the November meeting will be Alicia Fitzpatrick, Delma Jacques, Cecelia Medeiros, Anna Hammerquist and Margaret Doane.

The meeting closed with a prayer by Virginia Blaise.

of the Main, East, West, Mary's Pond, Wolf Island and the developing Perry Hill wells with guidance and explanations by knowledgeable Water Department personnel. The tour will then follow sewer and septage treatment at the filter beds all the way to the final effluent outfall.

This is a unique opportunity for interested townspeople to get an inside look at this extremely complex delivery system which the town of Marion D.P.W. manages. Each time one turns on a faucet that person should better appreciate the technology and earnest efforts of the Marion Water Department and its personnel.

The bus capacity is 58 persons. Those wishing to go on the tour please register by calling 748-1327 or 748-2032. There is no charge and it's a first come basis.

This tour is co-sponsored by the Marion Natural History Museum and the Tri-Town League of Women Voters in an effort to produce knowledgeable users of this vital natural resource.

NEWSPAPER RECYCLING NOTICE

CLEAN Inc. will be holding the next newspaper collection on November 23rd and 24th from 9 to 2 at Rochester Town Hall.

We regret we are unable to get a vehicle to Mattapoisett this month, so we are asking if you could bring your papers to Rochester. If there is anyone who has a truck that would be willing to sit at the A&P and bring a full truck-load instead of everyone coming separately (which would conserve fuel and cut down some pollution) please call as soon as possible so we can put a notice into the Presto to notify residents. Call Donna at 763-3375 or Polly at 763-2801.

I also want to take the time to thank those who helped in September. The Rotary Club who enthusiastically spent all day Saturday, their response was greatly appreciated; also to Bill Spark, Mo and Steve

CRANBERRY TIME

For the past four weeks Miss Aiken's fifth grade class at Old Hammondtown School has been studying about the importance of of the cranberry industry to the economy of Massachusetts.

Did you know that the state of Massachusetts provides 50% of all the cranberry products used in our nation?

The students have diligently been improving upon their note taking skills as well as having become well educated in all the

aspects of cranberry cultivation. As a concluding activity, the students have designed and constructed their own mini-bogs showing the necessary requirements in having a healthy, productive bog.

The students took many armchair field trips via videos and slide shows. Another "fun" activity was converting cranberry recipes to amounts that would accommodate feeding the class. As a result, the children made their own cranberry sauce, and cranberry crunch. Boy! Was it good!

The children agreed 100% that this was an enjoyable and beneficial unit learning more about this important industry.

A Time of Prayer

The Town of Marion United Methodist Church is sponsoring "A Time of Prayer" on Wednesday, November 13th at 7:00 p.m., when people are invited to come and offer prayers for the drug and alcohol abuse crises that touches us all. Churches and individuals alike are responsible for sharing God's Great Help through prayer in this most difficult of times.

No one will be asked to lead in prayer, but prayers will come as the spirit moves. There will also be a time of silent prayer. The Rev. Ben Briggs, Pastor of the Church, invites all to come and share at this time of caring.

Marion Congregational Church

150th ANNIVERSARY

The First Congregational Church of Marion has invited former ministers to preach during the 150th anniversary year of the meeting house. The Rev. Dr. David H. Graham, minister from 1968 to 1974, will be visiting the pulpit on Sunday, November 10th. Dr. Graham has been with The First Congregational Church of Battle Creek, Michigan since leaving Marion.

Dr. Graham's sermon title is "The First Sunday Morning". Those in the area who knew the Grahams when they lived in Marion are invited to Sunday's 10:00 worship service to greet Dr. Graham, his wife Pat, and daughter Kathy.

because we feel we are living amidst chaos, both personal and global. Where does the chaos come from, and what is God's role in quieting it and restoring order?

The answers to these questions have been elusive, but we need to move away from simple platitudes and explanations for what we think are God's actions. In a time of chaos and suffering, we may have to live with less than water-tight beliefs. The title of the sermon this Sunday at the Mattapoisett Congregational Church will be "A Theology of Chaos", and our service begins at 10:00 a.m. All are welcome to attend. Self Improvement

FREE MINISERIES FOR SENIORS

Respecting yourself and expressing yourself are two basic steps in building a healthy self-esteem. The old adage of don't speak unless you have something good to say just doesn't work anymore. We need to express ourselves in order to stay healthy. In this mini-series we will explore what healthy self-esteem is and learn practical techniques to empower ourselves and others. Stress reduction is a natural result of self-empowerment and will also be explored.

Johanna Duponte, MS, OTR/L is an area health care consultant and seminar presentor. Johanna has taken communication skills and stress management for more than a decade. This program is being offered at no charge in exchange for participants' feedback. The sessions will be held in Mattapoisett on Friday afternoons from 2 to 4 p.m. Course dates are November 8th, 15th and 22nd. Please call 758-6508 for further details. Treat yourself to a relaxing and empowering experience just in time to prepare for the holidays.

Square Dancing

The Sea Schell Steppers will hold a dance Saturday, November 9th, from 8 to 11 p.m. at the Acushnet Elementary School, Middle Road, Acushnet. Caller is Jim Schell and rounds will be cued by Anna MacDougall. The cost is $7.00 a couple. For more information call 995-7204.

Parents Week Preview, Cable

A special "Parents' Week" preview of Cable in the Classroom programs will be shown on Continental Cablevision's local channel, Bay 8, during the week of November 10-16. Parents can view examples of the educational programs Continental Cablevision provides local schools.

"Because Cable in the Classroom programs are usually shown during school hours when parents are at work, Continental has arranged to show samples of the programs during prime time", said Deborah Stinson, Program Director. "We want parents to see what their children are watching at school because we believe it is important for parents to be involved."

The programs will be shown Tuesday through Thursday beginning at 6:00 p.m. on Channel 8. In addition to showing examples of cable's educational programming, the "Parents' Week" preview will suggest ways parents can use TV more productively in the home.

"Our hope is to create greater awareness of Cable in the Classroom among parents", said Deborah Stinson. "Parents will also find that there are many wonderful educational programs on cable that they can use at home to help enrich their children's learning experience."

Continental started Cable in the Classroom in 1989 to provide high quality, commercial-free educational programs to schools -- free of charge. Today the service is available in more than 1,000 schools across the nation. In addition to the educational programs, curriculum-based support materials are available to assist teachers using Cable in the Classroom.

AWARDED RENSSELAER MEDAL

Robert Reid of Mattapoisett, a student at Old Rochester Regional High School, was awarded the Rensselaer Medal from Rensselaer Polytechnic Institute.

Each year Rensselaer presents the Rensselaer Medal to high school students for outstanding achievements in the study of mathematics and science during their junior year. One junior from each of approximately 1,700 high schools is selected to receive the award.

Letter to Marion Selectmen

As director of Seaside School, I would like to relate an incident to you that occurred Thursday morning, October 24th, that has a happy ending.

Thursday began as a typical school day for Seaside students. Happy, well-disciplined boys and girls had performed their daily ritual of singing our "good morning" song, plus the usual other cheery selections and then they settled in to participate in the day's learning curriculum.

Around 9 a.m. Kimball Chase walked into the school's entrance door. He said,

"Margaret, you have to evacuate the school. There is a bad gas leak."

At the time Debbie Ferreira and Joyce Cummings (both parents of students) were in the building dropping off their children.

I quickly gathered the parents and my staff together and our evacuation plan was implemented.

Lincoln Miller of the Marion Police Department arrived on the scene asking "Do you need a bus?" My reply to that was, "No, we'll go to Charlie Silvestri's (Seaside School class of '62). Thereupon the parents mentioned above, plus Seaside School staff and Chief Brian Scott of the Marion Police Department transported the students, in their private cars, with a few who had been picked at random. riding in the police cruiser, to Silvestri's.

Because of the calm manner in which my staff and town employees handled this situation, none of Seaside School children panicked or seemed the least bit alarmed.

We remained at Silvestri's until Chief Brian Scott came, around 10 a.m. talked to the children and gave us the all clear signal.

Teddy Laycock of the Marion Fire Department was in the school's driveway with a fire engine when we returned. He was to provide a program for the children that

"CROSS-COUNTRY MOTORING IN THE EARLY DAYS" LECTURE

"Cross-Country Motoring in the Early Days" will be presented by well-known author, lecturer and editor Beverly Rae Kimes November 18th at 7:30 p.m. in the theatre of the Round Barn at Heritage Plantation. The lecture is being sponsored by the G. Robert Melber Annual Lectureship Series. Mr. Melber was the former curator of the Antique Automobile Collection at the Museum.

Ms. Kimes wrote her first automobile story just four months after graduating from college in 1963. Her subject was the Curved Dash Oldsmobile. She has been "hooked" on cars ever since with a special interest in American automobiles of the pre-World War II era. Presently she is the author or editor of over 20 books in the field of automotive history, including works on Ford, Chevrolet, Lincoln, Oldsmobile, Packard and Buick. Ms. Kimes has written numerous histories of American cars ranging from high-wheelers to boattail speedsters and marques that run, literally, from A to Z (the Adams-Farwell of Dubuque to the Zip cycle car of Davenport).

Formerly an editor with "Automobile Quarterly Publications", Ms. Kimes is currently editor for the Classic Car Club of America. She has also served as contributing editor, automobile history, for World Book Encyclopedia, U.S. editor for the Italian Encyclopedia dell' Automobile and board member

smash hit of epic proportions" - New York Post. These were some of the press comments which welcomed "Kiss Me, Kate" to the Broadway stage in 1948. The show, called Cole Porter's best musical, enjoyed an opening run of 135 weeks (1,077 performances), ranking it among the longest-running Broadway shows.

"Kiss Me, Kate" is the story of a recently-divorced actor and actress who are paired as leads in a touring revival of Shakespeare's "The Taming of the Shrew". Their backstage bickerings parallel the shrew and tamer roles they play on stage. Numerous supporting characters, including actors, actresses and gangsters, contribute to the comedy in a brilliant book by Sam and Bella Spewack.

The catalog of hit songs in "Kiss Me, Kate" includes "Another Op'nin', Another Show", "Wunderbar", "I Hate Men", "Too Darn Hot", "Where is the Life That Late I Led?", "Always True to you in My Fashion", "So in Love", "Brush up Your Shakespeare", and many more.

This new production of "Kiss Me, Kate" is the eighth production in Producer/Artistic Director Donald Westwood's series of American musicals. Music Director Jerome Shannon has been associated with Donald Westwood for the past six seasons. Their collaboration has created productions which have been presented in venues ranging from landmark theatres to leading universities.

Tickets are $21.00, $25.00 and $29.00; senior/student $2. discount; group rates available. Tickets are available at the Zeiterion Box Office at 994-2900, and are also available at all Ticketmaster lcoations or by calling Ticketmaster at (617) 931-2000.

The public is cordially invited to the first Great Nemasket Gallery Holiday Bazaar on Saturday, November 16th, from 9:00 a.m. to 4:00 p.m. at the Nemasket Gallery, 56 Bridge Street, Fairhaven. The Bazaar will feature works from a wide selection of the fine craftspersons in southeastern Massachusetts. It will be the place this season to discover unique and beautiful presents for everyone on your Christmas list from children to grandparents.

The Great Nemasket Holiday Bazaar will include: Victorian Christmas ornaments, country collectibles, dried and silk flower arrangements, gift baskets, Guatemalan weavings, handpainted tables, jewelry, paintings, silk clothing and accessories, quilts, stained glass, toys, watercolors, woven rugs, wreaths and more. Items will be priced from as little as two dollars to several hundred dollars.

Each participant has donated one item for the Bazaar's Chinese Auction. Chances for the item of your dreams are 3 for $1.00 and will be available from 9:00 a.m. to 3:30 p.m. The drawing will take place at 3:45 before the Bazaar closes.

Peggi Medeiros, Gallery Driector, said, "We decided to organize the Bazaar for three compelling reasons. First of all in order for the Nemasket Gallery to survive, we need to raise funds. Although we are an integral part of the Nemasket Group, they can not afford to underwrite the Gallery. With the budget for the Massachusetts Cultural Council cut to the bone,

the Gallery must plan to raise money immediately to cover costs such as printing, mailing and food for our openings. Secondly we decided a Bazaar would be a terrific way to support area craftspersons by bringing as many together in one place on one day as possible. Finally, we knew that shopping for the holidays can often be hectic and exhausting when people have to rush from mall to store looking for presents that are special and affordable. At the Great Nemasket Gallery Holiday Bazaar we can solve that problem easily while everyone has a great time."

The Nemasket Group Woodshop will be represented by their brand new, handcrafted Adirondack chairs which are adapted from the historic original. The chairs are made from native white pine and are available painted in white, red, blue and green. The Woodshop crew is headed by Julie Morringello and Mark Wessinger. Ms. Morringello is a graduate of the Rhode Island School of Design Furniture Program, and Mr. Wessinger of the Program in Artisanry. On alternate days they work with members of the Nemasket Group on fine furniture.

Refreshments and lunches will be available from the Nemasket Kitchen. There is no charge for admission and free parking is available in the Nemasket lot adjacent to the gallery at 56 Bridge Street, Fair-

CAMPER/MOBILE HOME RULES AND REGULATIONS FOR RESIDENCES DESTROYED BY FIRE OR NATURAL HOLOCAUST

In accordance with M.G. L. Chapter 111, Section 31, these regulations, in relation to the Mattapoisett Zoning By-Laws Section III.F. were passed unanimously by the Board of Health during a public hearing at its regular meeting on Tuesday, October 15, 1991.

1. This permit is good for a twelve (12) month period from the date of issue.
2. A Camper/Mobile Home may be attached to an existing septic system only if such existing system is in the opinion of the Board of Health, adequate to service the dwelling to be reconstructed on the lot.
3. Under no circumstances, other than item #2, will the Camper/Mobile Home use the existing septic system on the lot for sewage disposal.
4. All sewage, gray water or effluent will be contained in the Camper/Mobile Home and disposed facility and the Board of Health will require the permit holder to submit a copy of a contract with a licensed hauler to dispose of said sewage or approved facility.

blood pressure testing. The screening is part of a statewide event co-sponsored by the Executive Office of Elder Affairs and the Massachusetts Society of Eye Physicians. The one-day event will take place at over 30 hospitals statewide.

Anyone 55 or older interested in taking part must schedule an appointment by calling the hospital at 997-1515, extension 2709 on weekdays between the hours of 9 a.m. and 12 noon. This telephone extension will be staffed by volunteers. The number of appointments is limited. Seniors are asked to bring their eyeglasses to the screening.

Eye screening does not replace a complete periodic medical eye examination. A screening can assist in identifying possible problems that need further evaluation.

You should see an ophthalmologist if you have any of these common warning signs of eye disease: loss, blurring or any change in vision; flashes or streaks of light; eye pain or unusual sensitivity to light; seeing rainbows or halos around light; a sudden onset or increase in floaters (spots or shadows in your vision); inflammation of the eye or lid.

Presentation at Conference

Mr. Dwayne Cameron, Mathematics Coordinator for the Old Rochester Regional School District, was recently invited by the State "Math Counts" Coordinator to make a presentation for middle school math team coaches at a statewide conference held at Bentley College. Mr. Cameron's presentation was entitled "The Curious Connection Between Probability and Geometry".

The "Math Counts" program is a national mathematics competition designed for the brightest mathematics students in grades 7 and 8 and is sponsored by the National Society of Professional Engineers. Last year's national winner was an 8th grade student from Lexington, MA. Mr. Cameron has been a teacher for the District for the past 23 years, has been the Math Team coach at ORRHS for the past 16 years, and a past President of the Massachusetts Association of Mathematics Leagues.

ORR Math Team

The ORR Math Team finished in second place after the first meet of the season in the SMC Mathematics League. Arch rival Dartmouth High School edged past the ORR team in the fifth round and held onto first place after the team round. Leading ORR in scoring were: Brishen Rogers (a perfect score of 18 points), Ryan Abraham (16 points), Robert Reid (16 points), Erica Thrall (16 points), and Donald Cottrill (15 points).

There are three more meets during the season and then the playoffs according to Mr. Cameron, Math Team Advisor at ORR.

"It's still early in the season and the team should improve as we continue through the year. Half of the team for the first meet were underclassmen and it's a new type of competition for most of them. I'm sure they were a bit nervous and then there's a tradition to uphold; we've finished in either first or second place in the league for the past 10 years. We've always had some great math students at ORR and this year is no exception."

Driver Education

Enrollment for the next Driver Education class at Old Rochester Regional High School is now taking place. A student must be 16 years of age or older to enroll. Students from ORR will be given first available seats as the program is a school-sponsored program.

Please call the high school for further information. Registration period ends Friday, November 15th. The class will be scheduled to begin on Monday, November 18th. The classes are held on Monday and Tuesday in Room B122 at the high school from 6:30 to 8:30 and run for seven weeks.

Class charge for residents is $30.00. Driving hours for residents is $100.00. The class and driving hour charge for non-residents of the District is $145.00. Only cash, bank checks, or money orders will be accepted as payment. No personal checks will be accepted. Summer residents will be considered residents of the District.

HEALING SERVICE

A Miracle Healing Service will be held at the Living Word Christian Church, 5 Park Avenue, Fairhaven (across from the high school) on Saturday, November 16th, at 7:00 p.m. The service is open to the public; wheelchairs easy access. For more information call 996-3207.

To "Temporary Help":
Our
Secretarial
Service!

Why do you need an alternative? Because in today's sophisticated office, the solution to your work overload problems is often temporary equipment as much as temporary people.

As a professional Secretarial Service, we provide both the equipment and the trained staff to operate it. This allows your office to continue working at full capacity, while our office handles your overload word processing, transcription, or other special projects.

And we're always here and ready when you need us, for big jobs or small. We meet your deadlines and we guarantee our work.

Next time you're "swamped", try the alternative: Call Us!

From Old Colony

HOLIDAY FUNDRAISER

The senior class at Old Colony Regional Vocational-Technical High School plans a holiday fund-raiser offering school and community members decorative poinsettias.

The poinsettias, available in red, white or pink, may be ordered from members of the senior class through November 9th; they will be delivered on December 6th. The plants are in two sizes, a five or six flower growth which sells for $10.00 and a 10 to 12 flower size for $16.00.

The holiday decorations will be provided by a local florist and will be wrapped, with the pots in foil, for safe delivery.

Community members wishing to purchase these plants may contact a member of the Class of 1992 or phone Mrs. Christine Watling, a senior class advisor, at 763-8011.

NAMED TO ALL-STAR TEAM

For the second year in a row, Old Colony Regional Vocational-Technical High School golfers Shane Ingham and Michael Morris have been named to the Mayflower League All-Star Team.

chael, a resident of Acushnet, each received unanimous votes from the league's coaches for their outstanding attitudes, performances and scores.

As well, both juniors qualified for the state tournament, especially notable since most of the other players are seniors, according to Old Colony golf coach John Abarey.

The Cougar golfers finished the season in third place with a 6-4 record. A Banquet will be held at the school on November 6th to cap off the year.

SENIOR NEWSLETTER

The Guidance Department at Old Colony Regional Vocational-Technical High School has issued the first in a series of Senior Newsletters. The newsletters are designed to keep seniors and their parents informed of important dates, events, and policies which will be in effect during the school year. In addition, the newsletter will be used to make parents aware of the various services available through the guidance department at Old Colony.

The first newsletter was mailed to parents recently. Among the subjects addressed in it are the cooperative education program and information for college-bound students. Included in the mailing are the current guidelines for "Co-Op" and a list of available scholarships for students intending to continue their education after graduation.

The next Senior Newsletter is expected to be mailed out next month.

HAIR FAIR

The Old Colony Regional Vocational-Technical Cosmetology Department has set dates for their second annual Hair Fair: two Sundays, November 24th and December 15th.

The program offers cosmetology services to members of the community and provides

Weeds and Wreaths

On November 10th the Lloyd Center will be conducting a workshop on the art of making wreaths from local plants. Join Environmental Consultant and former Lloyd Center staff member Bette Low as she demonstrates the techniques in making wreaths from various plants. The Christmas season is approaching, so now would be an ideal time to learn how to make wreaths for the holidays.

The fee for this workshop is $3.00 for members and $5.00 for non-members. Please pre-register by calling the Lloyd Center at 990-0505.

Also, be sure to reserve your calendar for the future events run by the Lloyd Center. There will be an Exploration of the Lloyd Center's Aquarium on November 17th, the start of the Seal Watch season on November 23rd, and the Birds of Gidley Woods walk on November 24th. For further information concerning these or any other events call the Lloyd Center at 990-0505 or write to P.O. Box 7017, South Dartmouth, MA 02748.
